DETAILED ACTION

1. Claims 1, 4, 6, 8, 10, 13-18 are in the application. Claims 2-3, 5, 7, 9, and 11-12 have been canceled.
2. The drawings were received on 7/31/06. These drawings are approved.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1, 4, 6, 8, 10, 13-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The description of the oar as having a scull blade joined to a scull arm is in particularly clear.

Although the whole arm 2 is defined as the scull blade, a substantial part of the scull blade is not in the configuration of a blade, as shown in figure 1 (a). This creates confusion as to what part of the oar is the scull blade.

In claim 14 it is claimed that the scull blade is joined to a connection part "near a distal end portion at one end not joined to the scull blade". This does not make any sense.

5. Applicant's arguments, see pages 9-12, filed 7/31/2006, with respect to claims 1,4,6,8,10, and 13-17 have been fully considered and are persuasive. The rejection of claims 1, 4, 6,8,10 , and 13-17 on art has been withdrawn.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

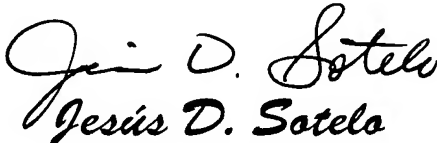

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
